June 23, 2014

Dear Graduates,

You have accumulated credits at Waubensee Community College through your successful completion of classes at Illinois Valley Vocational Center, and Computer Applications and Desktop Publishing at SHS. The enclosed form shows you what classes you have earned credit in. These articulated credits can only become a part of your college transcript if you are planning to take courses at Waubensee Community College. If you are, please follow the procedures below.

Please submit the enclosed paperwork (with the Student area completed) to VALEES at Rte 47 at Waubensee Drive, Building A, Room 161, Sugar Grove, IL 60554 and follow the directions given to you on the College Credit Articulation Form. If you have questions about this process please call VALEES directly at the number on the form (630/466-5736).

If you are not planning on taking ANY classes at Waubensee, or are planning on taking them later (maybe next summer?) you can have those classes put on your transcript ONLY when you register for class. Please do not drive to Waubensee and ask them to transfer them to another college- they won't do that. The articulated credits are available to you for two years after graduation.

Again, these articulated credits were accumulated to be applied to Waubensee Community College. They will not be accepted as articulated credits with another college. They will be accepted as transfer credits once they are on the Waubensee Community College transcript.

Thanks and best of luck to you all!

A handwritten signature in cursive that reads "Angie".

Angie Koontz
School Counselor
